The following styles are generated by the JB Type plugin that provides some stunning styling for your content using some very simple syntax.

Coloured Discs

The coloured discs styles are bright and colourful alternatives to your ordered lists. The style is ideally suited to stylign a single digit like a number or a letter to give the impression of creating an ordered list.

`{jb_bluedisc}1{/jb_bluedisc}` This is the `jb_bluedisc` style. Morbi tincidunt lectus nec sapien tempus at faucibus ante fermentum.
